Orientation Week 2023 Kicks Off

AZARA, August 02: The Students Induction Programme 2023 commenced with much anticipation and enthusiasm at Girijananda Chowdhury University. The day started with an inauguration ceremony held at the University Auditorium, with a gathering of newly enrolled students, parents/guardians, officials and faculty members. The welcome address to the students at GCU was delivered by Mr. Jashodaranjan Das, President, SSA, Prof. S. Robert Ravi, the Dean of Engineering and Technology, and Prof. P. Malairajan, Principal GIPS-G, extending warm welcome to the newly admitted students. The presentation on university mentoring was delivered by Dr. Lipi Goswami, the Chief Mentor. The formal session ended with a vote of thanks by Dr. Sandip Bordoloi, the Dean of Student Affairs. The students engaged in an interactive session with Hon'ble Chancellor, Prof. Alak K. Buragohain, Hon'ble Vice Chancellor, Prof. Kandarpa Das, Dean of Academics, Prof. Chandana Goswami, and Registrar, Prof. Dipankar Saha. The ice-breaking session was conducted by Dr. Rachel Kabi, Head of the Department of Social Work with the students to get acquainted with one another. Additional sessions encompassed a comprehensive visitation of the University's shared amenities, and the AICTE-IDEA Lab. Lastly, the students were provided with an opportunity to visit their respective departments, engaging in meaningful interactions with their faculty members and gaining insights into the department's laboratories through guided tours.
