Bazaars in the Global Information Economy

AZARA, September 09: A seminar on the topic of "Bazaars in the Global Information Economy" was jointly organised by the Department of Economics and the Department of Sociology and Social Work. Dr. Maitrayee Deka, a Senior Lecturer in the Department of Sociology at the University of Essex, UK, provided a thought-provoking lecture on the transition of markets from traditional to online platforms with a focus on her book titled "Traders and Tinkers: Bazaars in the Global Economy." Her primary area of study was the exchange of goods and services between traditional markets and online platforms. The discussion with the faculty members and students of GCU was both lively and productive.
