

NSS SPECIAL CAMP REPORT by NSS Unit-1

Girijananda Chowdhury University, Assam

Theme: “Education and Healthcare: The Cornerstones for Sustainable Future”

Date: 24th March to 30th March, 2025

Village: Aagsia, Kamrup, Assam-781128

The NSS Unit-1 of Girijananda Chowdhury University, Assam, successfully conducted a week long NSS Special Camp at Aagsia Village, Palashbari, Kamrup, Assam, from 24th March to 30th March, 2025. The camp aimed to promote community engagement, social awareness, and sustainable development through various activities. The volunteers actively participated in initiatives that positively impacted the village and its residents.

Activities Conducted:

1. Plantation Drive:

To promote environmental sustainability, NSS volunteers carried out a plantation drive, planting a variety of trees and saplings in and around Aagchia village. The initiative aimed to increase green cover, improve air quality, and encourage villagers to take part in afforestation efforts.

2. Survey on Health and Social Issues:

The volunteers conducted surveys on various health and social issues affecting the community, including sanitation, nutrition, education, and healthcare accessibility. The data collected will help in addressing these issues and guiding future intervention programs.

3. E waste collection:

As part of the NSS Special Camp, volunteers organized an e-waste collection drive to promote responsible recycling. Students and community members actively participated by depositing old electronic items. The drive aimed to raise awareness about environmental conservation and proper e-waste disposal.

4. First Aid Kit Distribution:

Recognizing the importance of first aid in emergency situations, NSS volunteers distributed first aid kits to families in the village. They also provided demonstrations on how to use the kits effectively in case of minor injuries or health emergencies.

5. Awareness Talk:

Awareness sessions were held on key topics such as personal hygiene, the importance of education, women's empowerment, and government welfare schemes. Resource persons and NSS volunteers conducted interactive sessions to educate villagers about their rights and responsibilities.

6. Cleanliness Drive:

As part of the Swachh Bharat Abhiyan, a cleanliness drive was conducted to promote hygiene and sanitation in the village. Volunteers actively participated in cleaning roads, public spaces, and water sources, while also encouraging villagers to maintain cleanliness public spaces, and water sources, while also encouraging villagers to maintain cleanliness in their surroundings.

6. Yoga Session

Volunteers also performed yoga session, promoting physical and mental wellbeing among participants.

Few pictures of the special camp are been given below:
