About Us

The Girijananda Chowdhury University, Assam which has been established by the Act of the Assam Legislative Assembly No. XLVII of 2022 is a culmination of the mission set by the Shrimanta Shankar Academy Society to promote quality higher education in the North-East region through non government and PPP initiative. In finding itself bearing the pride of a legacy that has set a standard in excellence in the entire educational scenario of the state as well as in the greater context of the North- east region, the inception of GCU as an institution imbibing within itself the core commitment of what the individually distinguished GIMT and GIPS has been devotedly working for is one of as immense a responsibility. From under the 1992 established SSA society's greater consideration in education as a not for profit organisation has unfurled this even more spirited pursuit in holistic learning that promises to uphold the noble ideals upon which it stems.

The establishment of the Girijananda Chowdhury University in Assam offers an even greater possibility for advancing this work in value-based learning while also attending to the competitive demands of the modern world. Even the foundational idea behind GCU's vision and mission, which is one that is driven by such virtues that firmly believe in education and even higher education as a human right that should be available to all, has contributed to the university's decision to emphasise the virtues of empathy, equity, and empowerment, which it vows to uphold for all time.

The main campus of the Girijananda Chowdhury University (GCU) is located at Azara, Guwahati on the the Lokapriya Gopinath Bordoloi International Airport road and just five km away from the airport. The campus is also conveniently located just 10 km from the Kamakhya Railway Station and 16 kms from Inter State Bus Terminal (ISBT). It is on the bank of the famous Deepor Beel, a natural water body which is a heaven for birdwatchers and aquaphile. The majestic Khasi & Jaintia hills stand on the southern side of the "Beel", providing a green picturesque view that is soothing to the eye.

The constituent campus of the GCU is at Tezpur, which presently accommodates the Girijananda Chowdhury Institute of Pharmaceutical Science, established in 2020. This is the first pharmacy institute in the state of Assam established under PPP (Public Private Partnership) model. Director of Technical education, Govt. of Assam. GIPS, Guwahati hold a rank among pharmacy institutes in India in National Institutional Ranking Framework (NIRF), MHRD, Govt. of India from 2017. GIPS, Guwahati achieved gold rating by AICTE-CII survey of Industry-linked technical institutes, 2019.

The B.Tech in Civil Engineering, Computer Science & Engineering and B.Pharm Programmes are accredited by National Board of Accreditation. In a historic achievement Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS), Guwahati has been recognized as DST-FIST supported Institute in the entire eastern zone this year for the development of Science & Technology Infrastructure.
