Event Impact	A three-day event was successfully conducted with the active support and participation of approximately 40 NSS volunteers. The volunteers played an important role in managing and coordinating various activities throughout the event. One of the major responsibilities was assisting and managing around 600-700 elderly participants. This required patience, proper coordination, communication, and teamwork. Despite facing several challenges during the event, the NSS volunteers worked together efficiently to ensure that the participants were properly guided and assisted. The volunteers helped with crowd management, providing necessary assistance to elderly people, coordinating different activities, and maintaining smooth arrangements throughout the three days. Their dedication and teamwork contributed significantly to the successful completion of the event. Overall, the three-day event was a valuable experience for the NSS volunteers. It helped us develop important qualities such as leadership, teamwork, responsibility, patience, communication, and problem-solving, while giving us an opportunity to serve the community.

Event Impact	A Nasha Mukht Bharat Awareness Programme was organized at the University Campus with the active participation of NSS volunteers, students, and faculty members. The programme aimed to create awareness about substance abuse and encourage students and the community to adopt a healthy and responsible lifestyle. During the programme, participants were sensitised about the harmful effects of drug and alcohol addiction on individuals, families, and society. The importance of staying away from substance abuse and making positive choices was also highlighted. NSS volunteers actively participated in the programme and helped spread the message of a drug-free and healthy society. The event encouraged students to become responsible citizens and contribute towards creating a safer and healthier community. Overall, the Nasha Mukht Bharat Programme was an informative and meaningful initiative that promoted awareness, social responsibility, and the importance of a substance-free society.

Event Impact	A Basic Life Support (BLS) Workshop was organized to provide participants with basic knowledge and practical awareness about responding to medical emergencies. The workshop focused on the importance of acting quickly and calmly during emergency situations. During the session, participants were introduced to essential BLS concepts, including recognizing emergencies, seeking emergency assistance, performing basic CPR, and providing immediate support until professional medical help arrives. Practical demonstrations helped participants understand the correct approach to handling emergency situations. The NSS volunteers and students actively participated in the workshop and gained valuable knowledge about emergency response and first aid. The session also highlighted the importance of preparedness, teamwork, and responsible action during critical situations. Overall, the Basic Life Support Workshop was an informative and useful programme that helped participants develop greater awareness and confidence in responding to emergencies.

Event Impact	A CPR and First Aid Training Programme was conducted at the University Campus to provide students and NSS volunteers with basic knowledge of emergency response and first aid. The programme aimed to improve participants' awareness and preparedness to respond appropriately during medical emergencies. During the training, participants were introduced to basic first-aid practices and the importance of providing timely assistance before professional medical help arrives. A demonstration of CPR (Cardiopulmonary Resuscitation) was also conducted to help participants understand the basic steps involved in responding to a cardiac emergency. The training was interactive and informative, with participants actively engaging in the demonstrations and learning sessions. It helped develop awareness about emergency preparedness, quick decision-making, teamwork, and responsible action. Overall, the CPR and First Aid Training was a valuable learning experience that equipped participants with essential knowledge that can be useful in emergency situations.

Event Impact	A Zero Plastic Drive was organized by the NSS volunteers to promote environmental awareness and reduce the use of plastic within the university campus. The main objective of the drive was to encourage students to maintain a clean and eco-friendly environment. As part of the programme, NSS volunteers carried out a cleanliness drive across the university campus and collected plastic waste from different areas. The collected waste was properly gathered and disposed of, while students were encouraged to avoid single-use plastics and adopt more environmentally friendly habits. The activity helped create awareness about the harmful effects of plastic pollution and the importance of keeping our surroundings clean. It also promoted teamwork, responsibility, and active participation in environmental conservation among the volunteers. Overall, the Zero Plastic Drive was a successful and meaningful initiative that contributed to a cleaner university campus and encouraged everyone to take responsibility for protecting the environment.

	Total	
Event Impact	Day 1 - Arrival and Registration Our college team travelled to Nagaland to participate in the Youth Festival 2026. We boarded the train from Paltan Bazar at 6:20 AM and reached Dimapur at around 10:30 AM. After receiving refreshments and reaching our hotel, we completed the registration process and submitted our identification details. In the evening, we visited Chümoukedima Stadium for dinner and interacted with participants from different places before returning to the hotel. Day 2 - Opening Ceremony On the second day, we attended the rehearsal for the opening ceremony, where participants coordinated and practiced their performances. The main programme was held at 5:30 PM at the stadium in the presence of Chief Minister Neiphiu Rio and Governor La. Ganesan. The event was lively and well-organized. After dinner, we returned to the hotel. Day 3 - Cultural Activities The third day began with breakfast, followed by a visit to Tetso College, where various competitions and cultural programmes were organized. We witnessed act plays, folk songs, and performances representing different states and cultures. We also explored the cultural expo showcasing traditional exhibits before returning to the hotel after dinner. Day 4 - Adventure and Trekking	

	We started the fourth day early and travelled towards Kohima for the adventure programme. The journey offered beautiful views of the Nagaland hills. After an ice-breaking session and refreshments, we participated in a trek to Mount Puliebadze (2,300 m). The trek was challenging yet enjoyable and provided a memorable experience. After lunch, we returned to the hotel. Day 5 – Cultural Celebration and Farewell The fifth day began with an energetic Zumba session at 4:00 AM, followed by breakfast. Later, we dressed in traditional attire and attended the programmes at the stadium. The day included various cultural performances, an award ceremony, and a spectacular fire show. After dinner, we had a memorable jamming session with fellow participants, making the final night enjoyable. Day 6 – Departure On the final day, we had breakfast and visited the local market for shopping. As it was Sunday, most shops were closed, so we returned to the hotel. We packed our belongings and checked out at 3:30 PM. After bidding farewell to the hotel staff, we proceeded to the railway station and boarded our train at 4:30 PM for our journey back to Guwahati.
