4.4	Does the University provide bridge/remedial courses to the educationally disadvantaged students? If yes, please give details	Yes, Girijananda Chowdhury University (GCU) provides remedial support to educationally disadvantaged students and slow learners through a holistic, personalized monitoring and intervention ecosystem. The university addresses learning gaps through the following structured process: • Early Identification via Mentor-Mentee System: Every student is assigned a dedicated faculty mentor who tracks their academic performance, class attendance, and peer interactions. Mentors collaborate closely with Course Mentors and the Controller of Examinations (CoE) office to identify students needing additional support while
-----	--	---

		maintaining strict confidentiality. • Continuous Classroom Assessment: Course instructors evaluate learning progress through regular class tests, assignments, and interactive classroom activities to pinpoint specific subject-level difficulties. • Targeted Remedial Sessions: Based on the insights gathered, subject teachers and Heads of Departments (HoDs) schedule tailored remedial classes in the afternoon hours to address specific concept gaps. • Flexible Support Mechanism: In addition to scheduled afternoon sessions, faculty members proactively organize need-based remedial classes whenever learning demands arise during the semester. Outcome Tracking & Evaluation: The impact of these corrective measures is continuously measured through subsequent academic evaluations and progress tracking to ensure the student's learning outcomes improve over time.
4.5	Does the University provide any financial help to the students from socially disadvantaged group? If yes, please give details.	Yes. Girijananda Chowdhury University (GCU) provides financial help to students from socially disadvantaged group. Details are provided in the Annexure-IV .
4.6	In case the University is running M.Phil/Ph.D. programme, whether it is full time or part time and whether these programmes are run as per UGC Regulations, 2009 on M.Phil/Ph.D.	Yes, Ph.D. programme is being offered on Full time and Part time basis as per UGC Regulations, 2022.
4.7	Whether the University has a website? If yes please give website address and whether the website is regularly updated?	Yes, the University has its dedicated website which is being regularly updated. The website address is https://gcuniversity.ac.in/
4.8	How are the prospective students informed about the criteria for admission, rules & regulations, facilities available, etc?	The prospective students are informed about the criteria for admission, rules & regulations, facilities through a) University website b) Admission advertisement on newspaper c) University prospectus d) Social and digital media e) Alumni Network

4.9	Whether any grievance redressal mechanism is available in the University? If yes, please provide details about the complaints received against malpractices, etc., in the University in the following format:				Yes, Girijananda Chowdhury University (GCU) has a comprehensive, multi-tiered Grievance Redressal Mechanism designed to ensure fair, transparent, and swift resolution of all complaints while preventing unnecessary litigation.
	Name of the complainant	Complaint against	Date of complaint	Action taken by the University	The structure, hierarchy, and operational flow of the mechanism are detailed below: • Scope of Grievances Covered: The system caters to students, faculty, and administrative staff across all schools. It addresses peer-to-peer (student-student, staff-staff) and inter-level (student-teacher, staff-management) concerns involving academic matters, assessment, fees, attendance, examinations, victimization, and harassment.
	(Details to be provided in Appendix-XII)				Dedicated Specialized First-Contact Bodies: • Internal Complaints Committee (IC): Directly handles complaints related to sexual harassment and gender discrimination as per UGC Regulations 2015. • Anti-Ragging & Anti-Discrimination Committees: Enforce a strict "zero tolerance" policy for campus harassment. • SC/ST Committee & Equal Opportunity Cell: Protect the rights of marginalized groups, eliminate discrimination, and ensure social inclusion and equal access across campus. • Student Council: Acts as an informal, non-political advisory bridge between students and Deans for prompt resolution of routine campus issues. Hierarchical Resolution & Information Flow: • LODGEMENT: Aggrieved parties submit complaints physically (via suggestion/grievance boxes) or through the university's online grievance portal. • SCHOOL/CELL LEVEL REVIEW: Complaints are initially routed to the respective School Deans, IC, Equal

		Opportunity Cell, or Specialized Committees for primary investigation and localized resolution. • CENTRAL GRIEVANCE REDRESSAL COMMITTEE (GRC): Unresolved or systemic grievances escalate to the central GRC for formal hearings, evidence collection, and recommendation framing within stipulated timelines. Ultimate Appellate Authority & Final Arbitration: • Vice-Chancellor (VC): Receives findings from the GRC/Specialized Committees to enforce administrative action, ensure natural justice, and safeguard institutional integrity. • Ombudsperson: Serves as the independent, highest appellate authority as per UGC norms to hear appeals against GRC/VC decisions, ensuring an unbiased final avenue for redressal without the need for external litigation. (For detailed committee compositions, procedural bylaws, and historical complaint records, please refer to Annexure-V and Appendix-XII; additional information is published at https://gcuniversity.ac.in/grievance-redressal/)

5. Curriculum, Teaching Learning Process/Method, Examination/Evaluation System

5.1	Which University body finalized the curriculum? The composition of the body may be given. (Board of Studies, Academic Council, Board of Management)	The Academic Council finalizes the curriculum. It is further approved by the Board of Management and Governing Body. For composition, please refer Appendix-XVII and for minutes/resolutions of the various governing bodies, please refer Annexure-VI .
5.2	What are the Rules/regulations/procedure for revision of the curriculum and when was the curriculum last updated?	Rules, Regulations and Procedures for Curriculum Revision: The curriculum revision process at Girijananda Chowdhury University (GCU) follows a structured, bottom-up governance pipeline: 1. Programme Committee (PC) [Department Level]: Initiates, drafts, and reviews course syllabi,

		practical components, evaluation methods, and learning outcomes for UG/PG programs based on stakeholder feedback and regulatory/NEP 2020 guidelines. 2. Board of Studies (BoS) [Department/School Level]: Evaluates and refines the draft curriculum proposed by the PC, ensuring academic rigor and interdisciplinary alignment. 3. Academic Council (AC) [University Level]: Approves the recommended curriculum, course content, and delivery/evaluation structures. 4. Board of Management (BoM) [Apex Decision Making body of the University in Academic Matters]: Formally ratifies the Academic Council's approvals for final implementation. 5. Governing Body (GB): Finally, the curriculum approved by the Academic Council and ratified by the Board of Management is placed before the Governing Body for final ratification. <u>Last Update:</u> The curriculum was last updated during the 13th Academic Council meeting held on 19-08-2026 (Minutes/resolutions attached in Annexure-VI).
5.3	Whether approval of statutory bodies such as Board of Studies, Academic Council and Board of Management of the University has been taken to start various courses? If yes, please enclose extracts of the minutes.	Yes, the statutory bodies of the university have approved the programmes. Minutes of the meeting of the Academic Council & Board of Management is enclosed as Annexure-VI .
5.4	Furnish details of the following aspects of curriculum design: Innovation such as modular curricula Inter/multidisciplinary approach	<u>Design and Innovation in Curriculum Structure:</u> Girijananda Chowdhury University (GCU) implements an interdisciplinary, outcome-based curriculum design aligned with national regulatory guidelines and modern educational paradigms: Undergraduate (UG) Framework: Designed under NEP 2020 guidelines and UGC's Choice Based Credit System (CBCS) (via CCFUP), offering a flexible, credit-based, multidisciplinary structure with multiple entry and exit pathways. Postgraduate (PG) Framework: Operates under NEP 2020

		guidelines and UGC's Choice Based Credit System (CBCS) framework, providing 1-year and 2-year Master's tracks, specialized electives, interdisciplinary options, and research-led learning. Statutory Body Compliance (UG & PG): Professional and technical programmes across both undergraduate and postgraduate levels strictly comply with the norms, syllabi, and guidelines prescribed by their respective statutory regulatory bodies: • Engineering & Technology: AICTE (All India Council for Technical Education) • Pharmaceutical Sciences: PCI (Pharmacy Council of India) • Allied Health Sciences: NCAHP (National Commission for Allied and Healthcare Professions) • Legal Studies: BCI (Bar Council of India) Innovative Interdisciplinary & Industry-Integrated Programmes: • Industry Partnership: B.Tech in Computer Science and Engineering, dovetailed with an AI & ML framework in academic partnership with IBM. • Interlinked Dual-Specialization Degrees: Launch of B.Sc. in Mathematics & Data Science and B.Sc. in Economics & Data Science, seamlessly bridging pure disciplines with computational data science competencies. • Cross-Disciplinary PG Master's: Launch of M.Sc. in Data Science, a purely interdisciplinary programme designed for students across all academic streams to apply data analytics and AI tools to their respective domains. Interdisciplinary & Multidisciplinary Mobility: The CBCS framework enables structured cross-school minor choices. For example, a student from Humanities can opt for a minor in Management or Natural Sciences, and vice-versa. Outcome-Based Education (OBE): Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) seamlessly integrate: • Local/Regional Needs: Financial and digital literacy, entrepreneurship, skill acquisition,
--	--	--

		and regional social awareness. • National Priorities: Data analytics, AI, design thinking, and direct alignment with 'Viksit Bharat'. Global Focus: Sustainability, environmental studies, lifestyle disorders, and global citizenship.
5.5	Has the University conducted an academic audit? If yes, please give details regarding frequency and its usage.	Academic Audit: Current Status & Eligibility: Established in October 2022, Girijananda Chowdhury University (GCU) is currently completing the mandatory 3-year operational period required to become eligible for NAAC accreditation. However, academic audits are actively conducted across programs, as evidenced by accreditation and approval ratings obtained from statutory and regulatory bodies including NBA, PCI, and QCI. Institutional Academic Audit Policy ("Going Beyond NAAC"): The University's Internal Quality Assurance Cell (IQAC) has formulated and implemented a comprehensive Academic Audit Policy and Guidelines (Version 2.0). This internal audit system utilizes a 248-point, 7-criterion data-driven rubric covering 52 distinct parameters (Curricular Aspects, Teaching-Learning, Research, Infrastructure, Student Support, Governance, and Values). GCU is in the process of implementing this framework. Frequency: Conducted bi-annually (per semester) across all academic departments and schools at the conclusion of each academic term. Usage & Impact: • Audits utilize a closed-loop continuous improvement model (measuring problem logs, solution execution, and cost-benefit/impact analyses). • Audit outcomes, Action Taken Reports (ATRs), and performance grading scales (Excellent to Needs Improvement) are submitted to the Academic Council and IQAC to refine course delivery, upgrade infrastructure, and drive continuous quality enhancement. For Details of IQAC: https://gcuniversity.ac.in/internal-quality-assurance-cell-iqac-gcu-assam/ For the present composition of IQAC, minutes, action taken reports, feedback, etc., please refer Annexure-VII.

5.6	Apart from classroom instruction, what are the other avenues of learning provided for the students? (Example: Projects, Internships, Field trainings, Seminars, etc.)	Industrial Exposure, Internships, Field Work, and Applied Learning: Curricular Policy & Mandatory Field Work: • Practical and real-world exposure is structurally embedded across all disciplines. • Every student in Social Sciences, Humanities, and Natural Sciences must undergo mandatory semester-wise field work. This field work is closely tied to the student's core area of study and is explicitly designed to teach the craft of creating viable solutions for local and societal challenges. Product-Oriented Minor Projects: • The University strongly discourages purely theoretical topics for semester-wise minor projects across papers. • Under GCU's updated project guidelines, students are required to formulate project outcomes that translate directly into a concrete product or product idea. The University actively provides ecosystem support to assist students in commercializing or deploying these products to end users. Full-Semester Industrial Immersion & Major Projects (8th Semester): • For programs in Engineering & Technology, Commerce & Management, Journalism & Mass Communication, and select other professional streams, the entire 8th semester is dedicated to complete industrial immersion. • Students spend the semester working full-time within a relevant company or organization. To synthesize this practical exposure, students write and defend a comprehensive dissertation based on their operational learning during the immersion. Industry Collaborations & Skill Enhancement: Active Memorandums of Understanding (MoUs) with regional and national industrial partners facilitate joint skill development programs, industry-sponsored lab setups, and regular expert guest
-----	--	---

		lectures. Audit Verification & Closed-Loop Quality Control: • Bi-Annual Physical Verification: Student field work records, internship logs, project rubrics, and employer/organization completion certificates are physically verified each semester under the 248-point Academic Audit rubric. • Employer Feedback & ATRs: Feedback collected from industry supervisors and field mentors is analyzed annually by the IQAC to update course outcomes and bridge gaps between academic training and industry demands. The noted industry partners of GCU are Public Works Department (PWD), Road Research Laboratory, Numaligarh Refinery Ltd., Public health Engineering, Assam State Transport Corporation (ASTC), Indian Oil Corporation (IOCL), Oil India Ltd.(OIL), BVFCL, AEGCL, Amtron, Tech Booster, Digifox, Eris lifescience, Ajanta Pharma, Sun Pharma, Hygenic Biopharma, Avizen Biopharma, etc.
5.7	Please provide details of the examination system (Whether examination based or practical based)	Yes, Girijananda Chowdhury University (GCU) follows a continuous, comprehensive, and outcome-based examination and evaluation system designed in alignment with the National Education Policy (NEP 2020) and UGC guidelines. The administrative oversight, structural components, and credit integration of the examination framework operate through a centralized and systematic workflow: Centralized Governance by the Office of the Controller of Examinations (CoE): The entire examination ecosystem—spanning continuous internal monitoring, end-semester evaluation, processing of results, transcript generation, and national credit integration—is centrally administered and regulated by the CoE office to maintain institutional integrity and standardized evaluation norms across all schools. Two-Tier Assessment Architecture: Courses across all categories (Major, Minor, SEC, VAC, AEC, MDC) are evaluated on a balanced weightage model: • Formative Assessment / Continuous Internal Assessment

		(CIA) [40% Weightage]: Managed continuous progress tracking across the 15-week semester through sessional exams, assignments, projects, quizzes, seminars, and class attendance. • Summative Assessment / End-Semester Examination (ESE) [60% Weightage]: Conducted under the administrative supervision of the CoE office at the end of the term, comprising written theoretical examinations alongside end-semester practical, laboratory, and viva-voce assessments. Rigorous Passing & Credit Award Rules: • Independent Threshold: A student must secure a minimum score of 40% independently in both Formative and Summative components to successfully clear a course. • All-or-Nothing Credit Accrual: Course credits are awarded in full only upon passing; partial credits are not awarded for incomplete or failed courses. Standardized 10-Point CGPA Conversion Scale: GCU uses a linear, transparent 10-point conversion scale: • Marks to CGPA: $\text{Grade Point / CGPA} = (\text{Total Marks Percentage}/10)$ (e.g., 78% /10 = 7.8 CGPA). • CGPA to Marks: $\text{Equivalent Percentage (\%)} = (\text{CGPA}) \text{ times } 10$ (e.g., 8.2 CGPA = 82%). Seamless Credit Lock-in & ABC/APAAR Digital Integration: Upon result finalization, the CoE office processes and converts finalized grades into academic credits, uploading them directly to the National Academic Depository (NAD) and linking them to the student's Academic Bank of Credits (ABC) / APAAR ID. This standardized credit-accrual workflow enables hassle-free credit accumulation, inter-university mobility, and credit transfers under the NEP 2020 framework.
5.8	What methods of evaluation of answer scripts does the University follow? Whether external experts are invited for evaluation?	Theory paper evaluation is done by GCU's own faculty members. For practical examinations, external experts are invited for evaluation.

5.9	Mention the number of malpractice cases reported during the last 3 years and how they are dealt with.	A total of six malpractice cases were reported. In most of these cases, students were found in possession of unauthorized materials, resulting in the cancellation of the examination for the respective course. Details are enclosed in the Annexure-VIII (A)
5.10	Does the University have a continuous internal evaluation system?	Yes, the University follows continuous and comprehensive evaluation system. Please Refer to the section 5.7
5.12	How are the question papers set to ensure the achievement of the course objectives?	Yes, Girijananda Chowdhury University (GCU) follows a structured, outcome-based question paper setting process to ensure that all assessments directly measure the achievement of defined Course Outcomes (COs) and Program Outcomes (POs). The university ensures assessment alignment through the following systematic framework: Cognitive Alignment via Bloom's Taxonomy: For most academic streams, question papers are mapped against the levels of Bloom's Taxonomy (Remembering, Understanding, Applying, Analyzing, Evaluating, and Creating). Questions are explicitly tagged with corresponding cognitive levels to evaluate higher-order thinking alongside basic foundational knowledge. Specialized Domain Alignment (School of Pharmaceutical Sciences): In alignment with Pharmacy Council of India (PCI) guidelines, the School of Pharmaceutical Sciences utilizes the equivalent PCI Assessment Competency Framework. This system categorizes question setting according to professional domain competencies: • Knowledge & Understanding (K): Testing core pharmaceutical theory and concepts. • Comprehension & Application (C/A): Evaluating clinical problem-solving, drug formulation calculations, and practical case handling. • Professional Skill & Integration (S): Assessing critical analysis, regulatory compliance, and practical laboratory reasoning. Quality Assurance and Moderation:

		Before finalization, every question paper undergoes moderation by a departmental Question Paper Scrutiny Committee / Board of Examiners. The committee verifies the CO-PO Mapping Matrix, ensuring proper distribution of marks across different difficulty and cognitive levels. Outcome Attainment Tracking: Post-examination, student performance data per question is analyzed by the course instructor to measure specific Course Outcome attainment levels, driving continuous improvement in teaching-learning strategies for subsequent semesters.									
5.13	State the policy of the University for the constitution of board of question paper setters, board of examiners and invigilators.	The list of question paper setters is prepared by the concerned HoD. All such lists coalesce at the school level to create a school wise list which is submitted to Vice Chancellor for approval. Upon approval, this list is sent by the office of the VC to the Office of the CoE. CoE then publishes this list. Subsequently, CoE then sends mail to individual question paper setters, selected randomly from the list received from the office of the VC. In that mail all relevant guidelines including the templates are shared with the concerned faculty. The faculty/question paper setter sends the document to the Office of the CoE well within time.									
5.14	How regular and time-bound are conduct of examinations and announcement of results? Substantiate with details of dates of examinations and announcement of results for the last 3 years. D. Admission Process

6.1	How are students selected for admission to various courses? Please provide faculty-wise information	d.Through combination of the above	
	a. Through special entrance tests b. Through interviews c. Through their academic record d. Through combination of the above	Girijananda Chowdhury University (GCU) follows a programme-specific admission process based on a combination of entrance test performance, interview (where applicable), and academic merit, depending upon the programme and the applicable regulatory requirements.	
	Please also provide details about the weightage give to the above	The broad admission mechanisms followed by the University are as follows:	
		Faculty/ Programme Category	Mode of selection
		Professional UG Programmes such as B.Tech, B.Pharm, etc.	Admission is made through applicable national/state-level entrance examinations and/or University-level entrance tests/Interviews, wherever prescribed, along with academic merit, as applicable. In courses governed by PCI and NCAHP, the relevant mandates coming from those bodies are followed.
		Other UG Programmes	Admission Criteria for Non-Professional UG Programmes: Primary Selection Mode: For non-regulated programs where the total number of applicants is less than or equal to the sanctioned intake, admissions are granted based on merit in the qualifying exam. Competitive Selection Mode: If the number of applicants exceeds the sanctioned capacity, admission is conducted through a competitive entrance test and/or personal interview.

			Capacity Management: The university maintains a higher sanctioned capacity across non-professional courses to accommodate learning demand while strictly adhering to merit-based selection.
		Professional Programmes PG	Selection is made through the applicable entrance examination and/or University-level entrance test/interview, along with academic merit and interview, wherever prescribed. Candidates possessing valid scores in relevant national-level examinations such as GATE, CAT/MAT, GPAT, etc., may be considered as per the applicable admission rules. In courses governed by PCI and NCAHP, the relevant mandates coming from those bodies are followed.
		Other Programmes PG	Admission Criteria for Non-Professional PG Programmes: Primary Selection Mode: For non-regulated programs where the total number of applicants is less than or equal to the sanctioned intake, admissions are granted based on merit in the qualifying exam. Competitive Selection Mode: If the number of applicants exceeds the sanctioned capacity, admission is conducted through a competitive entrance test and/or personal

			interview. Capacity Management: The university maintains a higher sanctioned capacity across non-professional courses to accommodate learning demand while strictly adhering to merit-based selection
		Ph.D. Programmes	Admission is conducted through the GCU Research Entrance Test (GCU-RET), followed by an interview, subject to the applicable UGC regulations and University Ph.D. admission rules. Candidates exempted from the entrance test as per applicable UGC norms are considered through the prescribed selection process. However, going forward, in line with UGC guidelines, admissions to Ph.D. Programme would be done purely on the basis of scores in national exams such as UGC-NET, GATE, GPAT, CSIR etc.
		<u>Weightage:</u> The weightage assigned to entrance test, academic record and interview is programme-specific and is determined in accordance with the approved admission rules of the University and applicable statutory/regulatory requirements. Where a particular programme is governed by a national/state-level entrance examination, the relevant prescribed admission criteria are followed. Thus, the University does not follow a single uniform weightage for all faculties/programmes; the selection criteria and relative weightage, wherever applicable, vary according to the programme and the relevant admission regulations.

8.7	Does the University follow self-appraisal method to evaluate teachers on teaching, research and work satisfaction? If yes, how is the self-appraisal of teachers analyzed and used? Whether:- Self-Appraisal Evaluation Peer Review Students' evaluation Others (specify)	Yes, Girijananda Chowdhury University (GCU) follows a structured, multi-source evaluation framework to assess faculty performance across teaching, research, institutional development, and work satisfaction. The university operationalizes this evaluation mechanism through an integrated 4-stage process: 1. Multi-Source Input Collection: • Self-Appraisal (PBAS): Faculty members annually submit a detailed Performance-Based Appraisal System (PBAS) report capturing teaching workloads, research output (publications, patents, grants), extension activities, and professional development. • Students' Feedback: Managed via structured feedback forms (currently being scaled university-wide post-pilot study) to assess pedagogical effectiveness, course coverage, punctuality, and classroom engagement. • Peer & Departmental Review: Heads of Departments (HoDs) and senior faculty evaluate colleagues on collaborative research, departmental administration, and curriculum contribution. • Administrative & Institutional Inputs: Deans assess

		broader contributions including committee work, event management, and compliance with institutional goals. 2. Systematic Analysis & Review: • Submissions are audited and verified by the Internal Quality Assurance Cell (IQAC) against set Academic Performance Indicators (API). • The IQAC synthesizes inputs from self-appraisals, student feedback, and peer reviews to construct a holistic performance profile for each teacher. 3. Constructive Feedback & Corrective Action: • Strengths & Gap Identification: The IQAC and HoDs communicate findings directly to faculty members through formal, confidential appraisal reviews. • Targeted Faculty Development: Identified areas for improvement lead to recommendations for specialized Faculty Development Programs (FDPs), pedagogy workshops, or research seed grants. 4. Institutional Application of Appraisal Outcomes: • Career Advancement Scheme (CAS): Appraisal scores serve as the primary basis for promotions, tenures, and financial increments. • Academic Planning: Aggregate feedback drives curriculum revisions, workload redistribution, and institutional quality enhancement strategies. (The PBAS format, student feedback questionnaire, and relevant notifications are enclosed as Annexure-XIV)

11.4	Are there other strategies to review academic programmes besides the academic council? If yes, give details about what, when and how often are such reviews made?	Yes, Girijananda Chowdhury University (GCU) employs a multi-source, multi-tiered framework to continuously review and update its academic programs beyond the guidelines coming from Academic Council. The operational workflow, stakeholder inputs, and institutional review hierarchy are structured as follows: 1. Comprehensive Multi-Stakeholder Input & Perception Data: • Alumni & Industry Experts: Inputs are routinely gathered regarding evolving industry trends, emerging skill gaps, and technological shifts to ensure curriculum relevance. • Benchmarking & Competitor Studies: Comparative analyses against top-tier peer institutions and market leaders are conducted to benchmark academic standards, credit frameworks, and course electives. • Internal & External Perception Studies: Feedback is gathered from current students, parents, faculty, and recruiters to evaluate pedagogical quality, infrastructure satisfaction, and graduate outcomes. 2. Centralized Facilitation by IQAC (Data Collection & Processing):

		The Internal Quality Assurance Cell (IQAC) acts as the central administrative engine that designs feedback instruments, collects data across all stakeholders, compiles perception metrics, and conducts gap analyses on an annual basis. 3. Multi-Tiered Review & Approval Process (Information Flow): • Program Committees: The compiled data and feedback reports are first reviewed at the department level by respective Program Committees to draft specific curricular adjustments or new course proposals. • Board of Studies (BoS): Recommendations from Program Committees—along with industry and alumni inputs—are presented to the BoS (comprising external academic and industry experts) for detailed academic scrutiny and course syllabus revision at least once or twice per year. • Academic Council: Final vetted recommendations flow from the BoS to the Academic Council for ultimate statutory approval and university-wide implementation. (For detailed IQAC composition, meeting minutes, action taken reports, and feedback analysis over the last two years, please refer to Annexure-VII or visit https://gcuniversity.ac.in/internal-quality-assurance-cell-iqac-gcu-assam/)

Sub: Intimation with regard to the decision of the Standing Committee of Bar Council of India granting recognition to Girijananda Chowdhury University, Guwahati, Assam as per Section 7(1) (i) of the Advocates Act, 1961 for the purpose of conferring the Degrees in Law AND fresh approval to its Centre for Legal Studies, Girijananda Chowdhury University, Guwahati, Assam for imparting 5-year B.A. LL.B. (H) integrated degree course with intake of one (1) section of 60 students for the academic year/session 2026-27 subject to verification/inspection and compliance of Rules of Legal Education, 2008 and all circulars/directives/guidelines/notifications issued from time to time by the Bar Council of India with respect to maintenance of standards of Legal Education.

CLE to furnish a duly notarised compliance affidavit (Annexure - C/A) with adequate photo/documentary proof in this regard, with all pages of affidavit, annexures, photos, being duly notarised within 6 months from the date of receipt of this letter. The compliance affidavit and all annexures/lists shall be verified, signed by the authorised signatory of the University/CLE, duly stamped/sealed, and shall remain subject to verification/inspection by the Bar Council of India.

Sir/Ma'am,

This is to bring to your kind knowledge that the Standing Committee of the Legal Education Committee of the Bar Council of India in its meeting dated 29.05.2026

has considered the inspection report of **Centre for Legal Studies, Girijananda Chowdhury University, Guwahati, Assam** submitted by the Inspection Team.

The Centre of Legal Education (CLE) has applied for recognition to **Girijananda Chowdhury University, Guwahati, Assam** AND fresh approval of affiliation to its **Centre for Legal Studies, Girijananda Chowdhury University, Guwahati, Assam** for imparting 5-year B.A. LL.B. (H) integrated degree course with intake of one (1) section of 60 students in each section for the academic year/session 2026-27.

After consideration, recognition has been granted to Girijananda Chowdhury University, Guwahati, Assam as per Section 7(1) (i) of the Advocates Act, 1961 for the purpose of conferring the Degrees in Law AND fresh approval to its Centre for Legal Studies, Girijananda Chowdhury University, Guwahati, Assam for imparting 5-year B.A. LL.B. (H) integrated degree course with intake of one (1) section of 60 students for the academic year/session 2026-27 subject to such conditions as imposed by the Inspection Team of Bar Council of India which have been approved with additions/modifications, where necessary by the Standing Committee in order to ensure compliance with Rules of Legal Education, 2008 and as per other stipulations/enumerations in the Rules of Legal Education & other guidelines/circulars issued in this regard from time to time by Bar Council of India.

It is expressly clarified that the recognition/approval so granted is conditional, institution-specific and course/intake-specific, and shall remain strictly subject to verification, inspection, re-inspection and continuing compliance with the Rules of Legal Education, 2008, all BCI circulars, directives, guidelines, notifications and all conditions imposed herein. The approval shall not be treated as unconditional or immune from review at any stage, and no equity shall be claimed on the basis of admission of students if any material deficiency is subsequently found or remains unrectified.

Specific conditions imposed by the inspection team and duly modified where required and approved by the Committee which are required to be complied with are as follows, failing which approval of affiliation granted may be withdrawn and future approval may not be considered:-

1. Statutory status, NOC and authorisation documents: The inspection proforma records that Girijananda Chowdhury University is a Private University under the State Government/Assam Private University framework and that the Director of Higher Education, Assam had completed inspection and recommended issuance of NOC for commencement of B.A. LL.B. (Hons.). The University/CLE shall submit the final State Government/competent authority NOC, the Assam Act/notification establishing the University, UGC 2(f) letter, relevant statutes/ordinances, and authorisation/management documents of Srimanta Shankar Academy (SSA) Society, duly signed, stamped and notarised. Mere recommendation for NOC shall not be treated as final NOC unless the issued order is produced and verified.

2. Exclusive and demarcated law infrastructure: The inspection remarks record that the CLE does not presently have a separate building for law courses and that only one floor has been allotted while other courses such as humanities, social sciences, commerce, management and engineering are also being run in the same building. The CLE shall ensure that a dedicated, clearly demarcated and exclusive area/floor/building is available for the Centre for Legal Studies, with room-wise plan, photographs, signage, access control/identification, timetable and usage certification showing that the law infrastructure is not diverted or shared in a manner prejudicial to legal education.

3. Permanent signboard and statutory display: The inspection team specifically noted absence of signboard regarding the name of the college/CLE and Legal Aid Clinic at the main entrance gate. The CLE shall install and maintain permanent signboards at the main gate, academic building/floor and Legal Aid Clinic, displaying the correct name of the CLE, name of the University, approved course, sanctioned section/intake, and other mandatory information, and shall furnish photographic proof duly signed, stamped and notarised.

4. Classrooms and exclusive availability: Though the proforma records six (6) classrooms of 1036 sq. ft. each, the inspection remarks state that, since other courses are also being run, six classrooms may not be sufficient. For one section of the five-year B.A. LL.B. (Hons.) course, the CLE shall provide at least five (5) exclusive, properly furnished, well-lit and ventilated classrooms of not less than 750 sq. ft. each, with teacher podium/table/chair, adequate seating, black/white/smart board and ICT/projector facility wherever required. The CLE shall submit room-wise measurements, seating capacity, photographs, furniture inventory, timetable and exclusive use certificate.

5. Legal Aid Clinic: The inspection remarks record that although there is a separate room for Legal Aid Clinic, no record of events was available and the Clinic did not have proper objectives, visitor facilities, small library or proper functional arrangements. The CLE shall establish and maintain a fully functional Legal Aid Clinic in accordance with Schedule III of the Rules of Legal Education, 2008, with objectives displayed, faculty-in-charge, student committee, visitor seating, basic legal aid library/materials, linkage with DLSA/local Bar, registers of visitors/beneficiaries/activities, photographs and periodic reports. Mere earmarking of a room shall not be treated as compliance.

6. Law library and reading facilities: The inspection remarks record only 240 books, including 220 text books and 20 reference books, only 3 journals, substandard and very inadequate books, poor seating arrangement, poor library infrastructure, and no separate law library as the University has only a Central Library. The CLE shall establish a separate/demarcated law library within the Central Library or an exclusive law library for the Centre for Legal Studies, with separate law accession register, latest standard text/reference books, law reports, AIR/SCC/Criminal Law Journal/Indian Bar Review/Company Cases, Central and State Acts, journals/periodicals, e-databases, computer/internet access and reading space in terms of Schedule III. Being located at Guwahati, the CLE shall allocate and demonstrate annual library investment of at least Rs. 10 lakhs or such amount as may be applicable under BCI norms/circulars, and shall file purchase bills, accession extracts, subscription proof, photographs and librarian certification.

7. Qualified librarian and library staff: The proforma records a qualified and trained librarian; however, in view of the inspection remarks regarding the poor state of the law library, the CLE shall furnish the librarian's appointment letter, qualifications, joining report, salary/bank proof, duty allocation, and specific certification that the law library/demarcated law section is maintained and serviced during reasonable working hours for law students.

8. Moot Court Hall: The inspection remarks record that there was a Moot Court Hall but seating arrangement for students was inadequate. The CLE shall make the Moot Court Hall fully functional and distinct from ordinary classrooms, with judges' dais/chairs, counsel podiums, witness box, registry table, seating adequate for effective moot court exercises, audio/ICT facility where required, photographs and activity records. Moot court exercises under the Rules of Legal Education shall be conducted regularly and records maintained.

9. Playground, sports and student amenities: The inspection remarks record that indoor/outdoor playground facilities were not maintained properly. The CLE shall provide and maintain proper indoor and outdoor sports/recreation facilities, boys' and girls' common rooms, toilets, drinking water, first-aid, barrier-free access and student amenities. If common University facilities are relied upon, the CLE shall file authorisation and timetable/usage proof showing assured access for law students.

10. Faculty deficiency and qualifications: The inspection remarks record that 10 teachers were claimed by the University; out of six (6) law teachers, only three (3) were found qualified to teach, while the remaining three were neither NET/SLET/SET nor Ph.D.; and it was unclear whether social science/language teachers were separately available for law courses. For the five-year B.A. LL.B. (Hons.) course with one section, the CLE shall ensure, before commencement of admissions/classes and on continuing basis, minimum core law faculty as per Rule 16 and Rule 17 of Schedule III, namely six (6) full-time qualified core law faculty in the first year, eight (8) in the second year and ten (10) from the third year onward, apart from a duly qualified Principal/Dean/Head, qualified non-law/BA subject faculty, English teacher, Computer teacher and qualified librarian. If Honours/specialisation papers are offered, the requisite specialised faculty shall also be appointed.

11. Faculty documentation, salary and affidavit: The CLE shall submit a duly notarised affidavit and signed/stamped faculty list containing appointment letters, joining reports, workload and subject allocation, qualification certificates, NET/SLET/SET/Ph.D. proof wherever applicable, service conditions, salary fixation, bank salary proof and proof of payment as per applicable UGC pay scales. The affidavit shall specifically state that the faculty are qualified, full-time, in regular service for the CLE/law course and receiving salary in their bank accounts as per applicable norms.

12. Core faculty counting clause: The Bar Council of India shall, for the purposes of compliance with Rule 17/Schedule III and for counting core faculty strength, recognise only core, permanent/full-time faculty members who are duly appointed in accordance with law and are paid salary as per the latest applicable UGC/Government pay scale commensurate with their designation as Assistant Professor, Associate Professor or Professor. If any contractual faculty is relied upon by the CLE, such contractual faculty shall be full-time, duly appointed through a lawful and verifiable process, assigned regular workload, and paid salary and service benefits equivalent to, or better than, the applicable UGC/Government pay scale for the corresponding designation. Guest faculty/visiting faculty/adjunct faculty/honorary faculty/part-time faculty shall not be counted towards core faculty strength or Rule 17 compliance, though they may be engaged only as additional resource persons over and above the mandatory core faculty requirement. There is no need to send the list of guest/visiting faculty to BCI for being counted as core faculty.

13. No commencement/continuance on deficient compliance: If, upon verification/inspection, the NOC, dedicated infrastructure, classrooms, law library, Legal Aid Clinic, Moot Court Hall, faculty, librarian, sports/student facilities or any other mandatory requirement is found incomplete, deficient, unverifiable or not exclusively available for legal education, BCI may withdraw, restrict, modify or keep in abeyance the approval and may direct that no admission be made or continued for the relevant academic session, without any claim of equity by the University/CLE.

FURTHERMORE, every CLE is required to furnish a duly notarised compliance affidavit attached as ANNEXURE C/A with adequate photo/documentary proof of compliance of Rules and Regulations of Legal Education, along with all circulars, directives issued by BCI, with all pages of affidavit, annexures, photos, being duly notarised within 6 months from the date of receipt of this letter.

The Centre of Legal Education is required to ensure full compliance with all stipulated norms, rules, and regulations of legal education, along with mandatory guidelines issued by the Bar Council of India. This includes adherence to all enumerations specified in BCI circulars, relevant directives,

and applicable court judgments or orders. As stated above, the compliance must be submitted within 6 months from the date of receipt of the BCI letter or earlier both in physical hard copy and as a scanned copy sent via email to complianceaffiliationle2@gmail.com with the subject line: "Minimum Compliance to Approval-Requirements."

All lists, statements, faculty details, infrastructure details, library details, student/intake details and compliance documents supplied to the Bar Council of India shall be signed by the authorised signatory of the University/CLE, bear the official seal/stamp, and be supported by verifiable documentary proof. No unsigned, unauthenticated, unstamped or unverifiable list shall be treated as valid compliance.

It is essential to understand that compliance with all conditions and legal education regulations including mentioned above is mandatory. Any deficiencies or discrepancies whether discovered through submitted documents, online portal registrations, or official forms may lead to serious consequences, including ineligibility to admit students in the academic session 2027-28.

The CLE is specifically required to submit appointment letters, verified qualification documents, and proof of regular salary payment as per UGC scales for each newly appointed faculty member. In addition, the CLE must provide duly notarized compliance reports detailing the status of physical infrastructure, library acquisitions, and faculty appointments. These reports will be reviewed by the BCI Standing Committee, and any failure to report accurately or any falsification of records will invite necessary action.

Moreover, the CLE must be prepared to receive additional compliance directions from BCI and may be subject to scheduled or surprise inspections. These inspections will evaluate whether the CLE has maintained full compliance with the conditions outlined in the approval process, the rules of legal education, and all circulars issued by the BCI from time to time.

The minimum compliance Affidavit format is attached as ANNEXURE C/A.

It is further clarified that this is the minimum level of compliance required. If any additional specific conditions have been imposed on the CLE, as mentioned above(by Inspection Team, duly approved by Standing Committee) those must be separately complied with, either by incorporating additional explanatory paragraphs in Annexure C/A or by submitting distinct compliance documents as appropriate.

Specific conditions which are required to be complied with in view of Rules of Legal Education, 2008 and circulars, guidelines, directives, public notification issued by the Bar Council of India from time to time for maintenance of standards of Legal Education, failing which approval of affiliation granted may be withdrawn and future approval may not be considered. These paras/conditions below may be co-related also with the specific deficiencies points mentioned above(by the inspection team) which was duly considered and modified and approved by the Standing Committee, so that the said deficiencies can be adequately rectified,

keeping below parameters as a guideline/yardstick for the same so long as they can be made co-relatable to the above specific conditions. Even otherwise, these conditions have to be as it complied with in letter and spirit by each CLE.

Faculty

As per Rule-16 and Rule-17 of Schedule III of Legal Education Rules, 2008, the minimum requirement for three-year LL.B degree course with 1 or 2 section/s is 4 faculty in first year, 6 in second year, 8 by the third year alongwith 1 Principal.

Furthermore, in addition there should be adequate English, Computer teachers in the ratio of 1:40 and there should be 1 qualified librarian. If the strength goes beyond 2 sections, the entire ratio of all faculty members should be 1:40.

Similarly, the minimum requirement for five-year integrated degree course with 1 or 2 section/s is 6 in first year, 8 in second year, 10 from third year. Principal will be common.

For specialization or Honours courses, there has to be a minimum of 3 teachers for such specialized course 1 major and 2 minor apart from having English and Computer teacher. Kindly note that these faculty members have to be in the ratio of 1:40 for the years they are studying such subjects during the entire duration of the course.

CLE must ensure that all appointed faculty members undertake Faculty Development Programmes on a regular basis.

The Law faculty is required to be adequately qualified with minimum 2-year LL.M degree for teaching LL.B or have any other higher degree for teaching law subjects therein. The non-law faculty for integrated Law degree courses with respect to BA LL.B, BBA LL.B, B.Com LL.B, B.Sc LL.B. etc. must have a minimum of masters in those particular subjects being taught. 1 major and 2 minor subjects have to be taught in the 5 years BA, BBA, B.Com. B.Sc LL.B. etc Integrated Law degree course/s. **The principal or equivalent is required to have minimum prescribed qualifications in law prescribed by UGC, and should have minimum 15 years of experience. He/she has to be a Professor in law with Ph.d in law.**

They are required to be paid as per salary as per latest UGC pay scale commensurate to their designation as Assistant Professor, Associate Professor and/or Professor. **Further, the CLE is required to mention the designation of all the faculty members.**

All faculty members counted for compliance shall be duly appointed/regularised on a full-time basis and shall be paid salary as per the latest applicable UGC/Government pay scale commensurate with their designation.

For avoidance of doubt, BCI shall recognise only eligible core permanent/full-time faculty for Rule 17 compliance. Contractual faculty, if any, shall be counted only if they are full-time, lawfully appointed, assigned regular workload and paid salary and service benefits equivalent to or better

than the applicable UGC/Government pay scale. Guest/visiting/adjunct/honorary/part-time faculty shall not be counted towards the minimum core faculty or 1:40 ratio.

The ratio of faculty members to students should not be less than 1:40 after the minimum strength of core faculty as per Rule 17 is ensured.

It is reiterated that for the purposes of Rule-17 (core faculty), only full-time, regularly appointed law teachers shall be counted, and only if they are within the age of service prescribed by the competent authority having jurisdiction over the CLE (State Government, Parent University, UGC, concerned Ministry, or regulatory body). The applicable age of superannuation shall be as notified for the CLE and State, for illustration, in the National Capital Territory of Delhi (including the University of Delhi system) the prevailing superannuation age for university teachers is sixty-five (65) years, whereas in some States it is sixty (60) years. Any engagement beyond the notified age (for example, re-employment, contract, adjunct or visiting, or emeritus) shall be only in accordance with the governing statutes and regulations and, unless expressly permitted under those provisions and sanctioned against a regular post, shall not be reckoned toward the minimum core faculty mandated by Rule-17 or for computing the 1:40 faculty–student ratio. The CLE shall keep on record and produce to the BCI, on request, documentary proof of each core faculty member's regular appointment, sanctioned post, date of birth, and the applicable superannuation norm notified by the competent authority.

The details the entire list of faculties members with their appointment letters should be furnished to BCI within three months.

Classroom size and Furnishings

The CLE should ensure to have adequate (5) number of classrooms of minimum 750 square feet, to accommodate all batches of students across all years for it's law degree course/s. All classrooms should be of minimum 750 Sq. ft. and refurbished with new, comfortable chairs and benches to ensure a conducive learning environment. Proper size and standard furnishings are necessary to meet the requirements of Rules of legal Education. CLE must ensure that every classroom has light, fan, teacher's podium, teachers chair and teacher's table. There should be mike in large classrooms.

Kindly note the classrooms have to be commensurate to the number of sections allocated for a law degree course multiplied by the number of years of the degree course. For instance, a 3-year LL.B degree course with 1 section of 60 students should have 3 classrooms, and for 2 sections, it should have 6 classrooms. Similarly a 5 year integrated law degree course should have 5 classrooms, for 1 section of 60 students and 10 classrooms for 2 sections of 60 students each.

Further advised to create/establish smart classrooms and/or install projectors in classrooms.

Library Enhancements

The institute should invest in acquiring more reference and textbooks of the latest editions of authors of repute. Allocate an annual budget of at least Rs. 10 lakhs for purchasing new reference books, textbooks, and journals. Furthermore, the CLE should

establish an e-library by subscribing to reputable e-law journals and acquiring electronic databases of law journals, as specified in the Rules of Legal Education.

-Ensure the library is open for reasonable hours to accommodate student needs.

-Create adequate reading space for students and upgrade the overall infrastructure of the library.

This includes the installation of dustbins in all classrooms, moot court rooms, common rooms, and staff areas to ensure cleanliness and effective waste disposal.

Accessibility Improvements

To accommodate differently abled students and staff, the CLE must make necessary provisions, including the construction of ramps, lifts, and the installation of Braille symbols, ensuring compliance with accessibility standards and it should be exclusive for Law students, staff and faculty so that it is convenient for the differently abled students considering their right to access.

Disaster Management and Fire Safety:

The Centre for Legal Education (CLE) must ensure comprehensive fire safety measures across the campus, including the installation of fire extinguishers in key areas, provision of emergency exit lighting, and strategically placed fire alarms. Additionally, adequate fire prevention and preparedness protocols should be implemented, including regular safety drills and clear emergency evacuation routes to safeguard the well-being of all occupants.

Anti-Ragging Measures

The CLE has to ensure strict implementation of a comprehensive anti-ragging framework in accordance with the guidelines issued by the Bar Council of India and the Hon'ble

Supreme Court in *University of Kerala v. Council of Principals of Colleges* [(2009) 4 SCC 741]. The CLE has to ensure the constitution of an Anti-Ragging Committee and Squad with powers to prevent, monitor, and take strict disciplinary action against any act of ragging. The CLE has to ensure that every student submits a mandatory anti-ragging undertaking co-signed by their parent/guardian. The CLE has to ensure the availability of a 24×7 dedicated anti-ragging helpline and an online complaint mechanism. The CLE has to ensure that all incidents, if any, are reported promptly to BCI, the affiliating university, and law enforcement authorities, thereby strictly enforcing zero tolerance, as reaffirmed in *Vishwa Jagriti Mission v. Central Government* [(2001) 6 SCC 577]. The CLE has to ensure the conduct of awareness programs, workshops, and seminars, and has to ensure publication of the anti-ragging policy, penalties, and annual statistics on its website, brochures, and campus notice boards.

Empathy, Counselling, and Kindness Initiatives

The CLE has to ensure the promotion of a culture of empathy, psychological well-being, and mutual respect among all stakeholders, in line with the Mental Healthcare Act, 2017 and relevant judicial directives. The CLE has to ensure the establishment and effective functioning of a Counselling and Wellness Centre with qualified mental health professionals. The CLE has to ensure the conduct of regular workshops on emotional intelligence, kindness, and inclusivity, and integrate these modules into induction programs. The CLE has to ensure that faculty performance evaluations include parameters related to mentoring quality and supportive conduct. The CLE has to ensure robust grievance redressal mechanisms to address psychological or emotional issues promptly. The CLE has to ensure the adoption of a non-discriminatory and non-judgmental approach across the campus and must undertake periodic audits and establish an Internal Mental Health Oversight Committee to monitor and continuously improve mental health services.

Student Grievance Redressal Mechanism

The CLE has to ensure the constitution and effective functioning of a Student Grievance Redressal Cell as per BCI guidelines (BCI:D:2382/2024), comprising senior faculty, administrative representatives, a female faculty member, and student representatives. The CLE has to ensure the maintenance of accessible online and offline grievance submission systems. The CLE has to ensure the maintenance of detailed records of all grievances and timely resolution without any retaliation. The CLE has to ensure submission of annual reports to the governing body and availability of these reports to the BCI during inspections.

Infrastructure and Exclusive Building Compliance Deficiencies

CLE must place permanent Name Board outside the main gate and outside the academic building. CLE should have properly demarcated building with proper name board identifying the law college.

✓ ***You may kindly bear in mind that the Bar Council of India is the sole and supreme sanctioning authority for seats and it does not allow any supernumerary quota of seats for law degree courses, over and above the sanctioned strength of seats and whatever reservation of seats is to be done by the University under whichever quota as a rule has to be done within sanctioned strength of seats. The only supernumerary quota, as of now permitted by the Bar Council of India, is 10 percent seats in EWS quota over and above the sanctioned strength of seats allotted/approved by BCI and that too, is subject to adequate infrastructure and qualified faculty to accommodate the supernumerary seats. The same is required***

to be adhered to. If there is any default on such part and the same is discovered subsequently, action shall ensue.

✓ The CLE is advised to declare the same voluntarily for consideration of the same in a manner which will not be detrimental to interests of the students admitted, if any, over and above the sanctioned seats as a one time opportunity. The same shall not be construed to be applied prospectively.

➤ It is pertinent to point that no University in India can offer a 4 year LL.B or integrated LL.B, followed by a 1 year LL.M in tie up with a foreign University under the present BCI regulations. Such a Law degree, nor the post qualification after it, is recognised by Bar Council of India. The BCI only recognizes the pattern of a 12th class +3 (graduation in any stream+3 (year Law degree) and/or a 12 + 5 year integrated law degree.

➤ While exchange programs of teachers and students have been undertaken by Centers of Legal Education including, Law Universities in India, Dual Degrees or joint Degrees with Foreign Universities have not been permitted or recognized by BCI. It is essential to emphasize that any foreign collaboration involving legal education CLEs, must strictly adhere to the regulatory framework established by the Bar Council of India. It cannot compromise on the quality of legal education mandated by the BCI. It's worth noting that unless a degree is recognized by the BCI in India, it holds no validity within the country. Therefore, a degree obtained from an Indian University, being recognized solely in a foreign jurisdiction, without recognition in India, would be of no consequence to the university or its students.

➤ Recognition and approval of law degrees are exclusively within the purview of the Bar Council of India. Consequently, if, upon thorough evaluation it is determined Law degrees are being issued by Universities against the rules and norms of Bar Council of India, recognition of such degree/s shall be withdrawn and such degree holders shall not be entitled to be enrolled in any State Bar Council in India.

➤ BCI and its Legal Education Committee have time and again reiterated, stated and clarified, that it does not recognise LL.B and/or LL.M or any Law degree course through online mode, correspondence, open and/or distance learning mode.

➤ It has further come to the attention of the Bar Council of India and its Legal Education Committee that certain CLEs are offering Master of Arts (MA) programs with a Law subject, in open and distance learning mode, or online mode which attempts to mimic the structure and content of a Master of Laws (LL.M.) program. Upon careful examination, it has been observed that such an endeavor is beyond the scope and intent of a Master of Arts Degree and is deemed impermissible. It is hereby clarified that such MA degrees will not be recognized by the BCI as equivalent to a Master of Laws (LL.M.) degree and for the purpose of teaching of LL.B. Course.

➤ It is crucial to clarify that the designation "MA" signifies "Master of Arts," whereas "LL.M." represents "Legum Magister," a Latin term denoting a "Master of Laws" Degree. The distinction between these two titles is significant, as an LL.M. degree is specifically tailored for graduates of law programs, whereas an MA degree encompasses a broader range of academic disciplines and is separate and distinguished from Master of Laws Degree. It is a deliberate attempt to bypass LL.M. in such a manner.

➤ The BCI emphasizes that an MA degree with a Law subject does not confer the same benefits or privileges as an LL.M. degree. Individuals holding an MA degree in Law will not be entitled to the benefits typically associated with possessing an LL.M. degree, nor will they be eligible to teach in LL.B degree programs. Pursuit of legal education at the postgraduate level, in the form of an LL.M. degree, is restricted to individuals who have completed their undergraduate legal studies while it is clarified that any specialized branch of law offered at the master's level, without the LL.B./BA.LLB qualification as the requisite entry-level credential, shall not be recognised as equivalent to an LL.M. degree.

➤ It is imperative for all stakeholders in the legal education sector to understand that the distinction between an MA degree and an LL.M. degree is significant. An MA degree with a Law subject does not fulfill the requirements for recognition by the BCI as a qualification equivalent to an LL.M. degree.

➤ This serves to clarify the position of the BCI on the recognition of MA degrees with a Law subject and to prevent any misconceptions regarding their equivalence to LL.M. degrees.

➤ The BCI and its Legal Education Committee has further also observed that running an MA (with Law subject) by any such mode is an attempt to mimic an LL.M., which is also not permitted by such mode.

➤ It has also been brought to the notice of Bar Council of India that some entities claiming to be Centre of Legal Education are offering courses through distance education/correspondence mode, under the nomenclature of the degree of LL.M. or LL.M. professional, where anyone even without LL.B. can get an LL.M. degree, and, the same persons are also getting registered for Ph.D., appearing for UGC NET etc. thereby diluting quality of legal education.

➤ This is an illegal practice and Bar Council of India shall not hesitate in taking stringent action against such centres.

RELEVANT SUPREME COURT AND HIGH DIRECTIONS INCLUDED IN ORDERS/JUDGEMENTS AND OTHER RELEVANT ASPECTS ARE AS FOLLOWS

✓ **Recently the Bombay High Court, in its judgment dated 2nd April 2025 in the case of Smt. Nathibai Damodar Thackersey Women's University Law School vs. State of Maharashtra & Ors., W.P. No. 1501 of 2019**, reiterated and upheld the statutory powers and duties of the Bar Council of India under the Advocates Act, 1961, particularly in the context of regulating legal education. The petition had challenged several provisions of the Rules of Legal Education, 2008 framed by the BCI, and questioned the authority of the BCI to inspect law colleges affiliated to universities.

The Court emphasized that the BCI has a paramount statutory duty to maintain standards of legal education in the country. It observed, "From perusal of Sections 7(1)(h), (i), (l) and (m) of the Act of 1961, it is evident that the maintenance of standards of legal education is the paramount statutory duty of the BCI". Further, it reaffirmed that the power of inspection is not restricted to universities alone but extends to all Centres of Legal Education, including law colleges

affiliated to universities. The Court stated, "*The petitioner law school cannot claim any immunity from inspection by the Bar Council*".

The judgment clarified the legal interpretation of Section 49(1)(d) of the Advocates Act, 1961, which grants BCI rule-making power to maintain standards in legal education. The Court held that the rule-making power under this section is both general and specific, noting that, "*Section 49(1) confers particular powers without prejudice to generality of general power already conferred and therefore, particular powers are only illustrative of general power and do not in any way restrict the general power*". This interpretation enabled the Court to uphold the validity of the contested Rules under the 2008 framework, specifically Rules 2(iv)(a), 2(xii)(B), 14, 16(2), 18(2), 19(ii), 19(iii), and 26(a), declaring them *intra vires* the parent statute.

Importantly, the Court also addressed the relationship between the Advocates Act, 1961, the Maharashtra Public Universities Act, 2016, and the University Grants Commission Act, 1956. It held that where there is a conflict, the Advocates Act prevails, stating, "*Even assuming that there is an inconsistency between the provisions of the Act of 2016 and the Act of 1961, the provisions of the Act of 1961 will prevail as they have been enacted by the Parliament*".

The Court dismissed the petition and upheld the BCI's authority to regulate and inspect law colleges, reinforcing that the statutory framework established by the Advocates Act, 1961 and the Rules of Legal Education, 2008 are legally sound and necessary for maintaining the quality of legal education in India. It stated unequivocally, "*The challenge made in the petition to the Rules of 2008 being ultra vires the parent Act is without any basis*".

The Kerala High Court in the case of Indira Gandhi

Memorial Trust Vs. State of Kerala, W.P. (Civil) No. 34303/2023 vide its order dated 12th December, 2023 held that if a College intends to start a course during the academic year 2023-24, the application before the Bar Council has to be submitted before 31.12.2022. In effect, if an affiliation is granted by the University for a particular academic year, beyond such timeline, the same cannot be produced before the Bar Council of India for starting the course in the very same academic year going by the time schedules that are kept by the Bar Council of India.

The Hon'ble court directed the University to extend the affiliation dated 20.07.2023 issued for the academic year 2023-24 to be valid for the academic year 2024-25 and comply with the time schedules that are kept by the Bar Council of India.

Therefore, in view of the above, universities are directed to adhere to the above timeline or to any timeline notified by the Bar Council of India before each academic year for providing affiliation to any Centre of Legal Education.

The Division Bench of the Hon'ble High Court of Mumbai

at Nagpur, in the Writ Petition Number 1114/2018 vide Judgment dated 08.04.2020 in re **Rashtrasant Tukdoji Maharaj Nagpur University and others vs. State of Maharashtra and others (AIR 2020 Bom 135)**, upheld the constitutional validity of Rule 2(xxiv) "Regular Approval" means approval for not more than five years and includes permanent approval earlier granted to any Centre of Legal Education before these Rules come into force.

The Court observed that approval of educational CLEs is procedural, and the approval granted is in the nature of an existing right rather than a vested right. Legal education, the Court noted, is a dynamic process that requires maintaining standards, which cannot be confined to any time frame or remain static.

✓ **In Bar Council of India v. Board of Management, Dayanand College of Law, Appeal (Civil) Nos. 5301-5302 of 2001 (decided on 28th November 2006), reported in (2007) 2 SCC 202, the Hon'ble Supreme Court categorically held that only individuals possessing a degree in law are eligible to serve as the head of a law college, thereby overruling the High Court's decision which had upheld the appointment of a Principal without a law qualification. The Court unequivocally affirmed that the Bar Council of India, as the apex statutory body under the Advocates Act, 1961, is entrusted to maintain standards of the legal profession and of those who seek entry into that profession. The Supreme Court emphasized that this authority cannot be overridden by university statutes or local regulations, reiterating that the BCI's regulatory mandate extends beyond enrolment to encompass the entire educational pipeline leading to entry into the legal profession.**

✓ **Supporting this position, the Punjab & Haryana High Court in Shruti Bedi & Ors. v. Panjab University & Ors., CWP 13091 of 2023 (decided on 22.11.2023), explicitly held that the head of a Centre of Legal Education must be a law teacher with at least fifteen years of teaching experience and a Ph.D. in Law, in strict adherence to Rule 16 of the Bar Council of India Rules of Legal Education, 2008. The High Court further clarified in para 33 that once the Director exercises academic and financial powers, the post cannot be deemed honorary or ceremonial, and thus cannot be occupied by a person without a legal background. Additionally, para 23, the Court invoked Rule 16 of the BCI Rules to underscore that this requirement is not merely academic but statutory, flowing from the Advocates Act, 1961 and enforced through BCI's regulatory framework. The Supreme Court in Dayanand further opined that the BCI's role cannot be considered to be taken away by the Universities Acts, thereby confirming that compliance with BCI norms is mandatory and binding.**

Together, these landmark judgments firmly establish that appointments, leadership roles, and governance structures within legal education must rigorously conform to standards prescribed by the Bar Council of India, underscoring the indispensable role of BCI in safeguarding the quality, integrity, and constitutional objectives of legal education in India. Any deviation, undermines the statutory mandate and invites legal consequences

✓ **The Madhya Pradesh High Court has recently on 07.03.2025 in Vyom Garg Case**, which pertains to enrolment of those candidates who have obtained their degree from CLEs not approved/recognised by Bar Council of India, passed an order deterring malpractices and administrative laxity by Centers of Legal Education, it has held that CLEs found enrolling students without valid BCI approval now face the real threat of criminal prosecution. CLEs are now under clear judicial warning to comply strictly with

BCI norms, including timely fee payments and adherence to affiliation and approval of affiliation by BCI procedures. Failure to comply not only results in loss of recognition but also exposes the CLEs to legal consequences and reputational damage. This, stresses on disciplined legal education governance, with zero tolerance for CLEs that jeopardize students' futures through non-compliance of BCI Rules of Legal Education Rules.

✓ **The Hon'ble Supreme Court in the case of Bar Council of India Vs. Rabi Sahu, Civil Appeal No. 8571/2013 vide its order dated 9th June, 2023** has held that in view of the Bar Council of India Rules, Part IV-

Rules of Legal Education, 2008 prescribed by Bar Council of India, only graduates from recognized/approved Centres of Legal Education (Universities, University Departments, Constituent Units, Colleges etc.) by the Bar Council of India can be enrolled as advocates

✓ **As per the order of the Hon'ble Supreme Court of India dated 29.08.2019 passed in Writ Petition (Civil) No.1510 of 2018, titled as Vinit Garg Vs. University Grants Commission and as per the earlier order of Hon'ble Supreme Court of India dated 03.11.2017 passed in Civil Appeal Nos.17869-17870, arising out of SLP No. 19807-19808/2012 in the case of Odisha Lift Irrigation Corp Ltd. Vs Ravi Shankar Patro & Ors., the Hon'ble Supreme Court has held that an University has to obtain permission from the concerned regulatory body for initiating/starting, opening and conducting any distance learning course/s.**

✓ **As per UGC Regulations 4(A)(iv), (Open and Distance Learning Programmes & Online Programmes) Regulations, 2020, the Higher Educational CLE must have the approval or recommendations of the statutory or regulatory authority, in this case, the Bar Council of India (BCI), for offering law programs in Open and Distance Learning mode or Online mode.**

Explanation: Programmes as mentioned at clause (iv) shall be considered only when these are recommended by the respective statutory or regulatory authority or regulatory council to offer in Open and Distance Learning mode or Online mode, as applicable....."

✓ **Furthermore, the Distance Education Bureau under UGC explicitly prohibits courses in engineering, law, medicine, dental, pharmacy, nursing, architecture, physiotherapy, applied arts, and other such programs from being offered through online mode without approval from the respective statutory or regulatory bodies.**

✓ **Some Universities, including some reputed Universities are running such programs in flagrant violation of clear directives and guidelines as stipulated above and without even having made a request or application to BCI in this regard. It is categorically made clear, such programs have no recognition and/or approval from BCI.**
